## Something Must "Give" When Budgets Increase 163% While Population Ups 53.68% In State Says Mr. Roberts

"With a predicted 4,000,000 population in the tri-county Gold Coast of Florida - Palm Beach, Dade and Broward - by 1970, the present population of the entire state will be equalled, almost four times the college students as there are now enrolled in the State's colleges will be clamoring for a college to which they might go and MORE TAXES will be necessary to perform the functions of government, city, county, state and national," Emmett Roberts county legislator told the local Chamber of Commerce Coffee House Friday morning.

"With a population increase since 1946 thru 56 of 53.68%, cost of state government has increased 163%. The state has a very shaky retirement plan until recently.

"The Minimum Foundation Program for school has increased 172% State University appropriations from 18 to 41 million dollars. Highways 229%, Health sanitation and hospitals

appropriations have increased 203%.

"The general price index has raised the cost of materials and salaries have gone up all along the line.

"Following WW II the demands on all states for services has grown in more and better services and to make up for the intensification of spending generally during the war effort. Taxes to meet these added demands of course, must be provided."

"Eighty percent of state income now comes from some form or other of sales or consumption tax. Gasoline, cigarettes and special items have been added. (Continued on Page Three)

## Department Award Won By Freeman

## Post 20 Resolution Adopted By State

CONGRATULATIONS were in order at the recent past commanders dinner of Everglades American Legion Post 20 as newly elected post commander, William E. Eggleston, is congratulated by rotating commander, W. H. (Red) McCarty. Viewing the action are three past district commanders, all from Post 20, (left) Ralph Freeman, W. C. Allen, now a member of South Bay Post 161, and J. B. Jones, retiring district commander who replaced ailing Bruce Gaskins in the district's top post.

State honors and district recognition were afforded Everglades American Legion Post 20 at Belle Glade during the Department of Florida 40th annual convention at Lakeland last weekend.

A delegation from Post 20 was present to see its initial membership resolution made in the final king-judging contest adopted by the department.

The resolution, originated by Post 20 through the sponsorship

of Acting District Commander J. B. Jones, Belle Glade called for the creation of a fund to publicize the American Legion in Florida to attract WWII and Korean veterans to membership.

Post 20 was also one of 19 posts in the 25-post district with more than 100% of 1947 membership. District Commander Jones reported the district 103.2% for the year.

In adopting the promotional fund of \$10,000 the department

also increased the overall budget from \$53,000 to \$62,000 which will allow expenditures for rehabilitation programs, junior baseball, the American Legion baseball team and many other items which, in Jones' words will make the Legion "one of the most important organizations in the state of Florida."

Post 20's membership resolution formed the leverage to boost the overall budget.

Attending from Belle Glade were Commander-elect W. E. Eggleston, Ralph Freeman, recipient of a singular honor for membership, W. C. Young, George Farnall and H. A. Vaughn, Jr.

## Survey Ordered Large - Scale Development At Port Looms As Port Commissioners Act

Port of Palm Beach commissioners directed Port Manager Joel Wilcox to survey the conditions of Port Belle Glade at the board's May 23 meeting following a request from the Belle Glade Chamber of Commerce for dredging of the rim canal.

In a letter read at Friday's meeting, the Belle Glade chamber said the port has been ofered the handling of liquid barges if the basin can be deepened.

In addition to about 100,000 cases of barge traffic annually from that source, chamber officials and Wilcox see possibilities of a large-scale development at the port.

Barging from Tampa by way of the Caloosahatchee River to Lake Okechobee appears to be a cheaper method of transportation than certain other existing facilities, the chamber feels.

As far back as October, 1956 Wilcox inspected the Belle Glade port. At that time he said the Palm Beach Port would seek to make the Belle Glade site a federal project and to ask the U. S. Corps of Engineers to dredge the basin. He indicated that he would take steps to see that this was done.

In accordance with a request from Wilcox the Belle Glade Chamber of Commerce gave him a survey of the tonnages freighted in and out of the Glades some of which would quite possibly be brought in by barge if the facilities were available.

As of Feb. 15, 1957, freight incoming to Belle Glade by all means of transportation was 163,300 tons and 359,595 tons left the area each year.

The survey also outlined the work the chamber was planning to do in developing the port site.

The Corps of Engineers has indicated they would consider using 30 acres of land about 100 yards south of the port on the canal as a spoil bank which would mean that the elevation of the proposed development would be raised. The spoil bank proposal came after the Engineers indicated that they had planned other work in, and around the hurricane area.

Late in April of this year a Belle Glade liquor distributor made the bargeing proposal, which spurred the chamber to seek the Palm Beach Port's at present on the Belle Glade port.

The letter read at West Palm Beach Friday also outlined the work which had been accomplished since the first survey was made.

Police Chief Charles Goodlett and Assistant Fire Chief Cecil Bair at Belle Glade also assisted Willis in the investigation. Location and type of fire as well as the way the house was completely gutted in short time were listed as sufficient evidence to warrant the arson investigation.

Mrs. Wynn told The Herald she was awakened about 1:15 a. m. Monday by what sounded like a muffled explosion. She said that by the time she arose to see what had happened, the front of the house was engulfed in flames.

Her 13-year-old son, Lamar, also asleep in the house, escaped. Although the Belle Glade Fire Department arrived quickly, only a few personal items were saved, she said.

## County Pushes Avenue E

The Palm Beach County Commissioners received a right of way appraisal for Avenue E at Belle Glade along with two other road development matters at the last meeting.

The board voted to transmit the appraisal to the State Road Department to take the matter a step closer to construction of the \$315,000 project.

## Poppy Day Postponed

Due to the inclement weather last Saturday the American Legion Post 20 Auxiliary poppy day sale was postponed, according to President Mrs. Venera McCarty. Announcement of the sale will be made at a later date.

## BGHS 'Space Age' Seniors Prepare As Final Events In High School Calendar Approach This Week

Caps and gowns in the tradition of graduation take their places in the Belle Glade community scene this coming week as 59 seniors at Belle Glade High school prepare to receive their diplomas. Baccalaureate exercises will be held June 2 and commencement is June 4.

These graduating seniors are a small part of the many thousands throughout the nation who are the first grads to face the problems of the space age. The "jet" and "atomic" ages are past, in a sense. Now, these new citizens must not only grip the problems of the world, but the universe as well.

## Milton Burry Is Civitan President

Members of Belle Glade Civitan club meeting at Ray's Smokehouse, South Bay last Thursday elected Milton Burry Kilgore Seed Co. official, as president for the coming year. A slate of officers except directors were also chosen.

The club meets today to select their directors at a dinner meeting.

Elected first vice president was James Williams; second vice president, Robert Mathews; Don Fisher, secretary; and Robert White, treasurer.

Details of the officers' installation ceremony were not available at press time. Richard Post is retiring president.

## Warren W. Began Rites In Indiana

WOULD YOU take enough time from your busy day to call on five of your neighborhood business men if you knew it would greatly lessen juvenile delinquency in the Glades? Judge Richard Robbins, West Palm Beach, in thousands of juvenile cases, has never had an active Boy Scout in a single case.

THE BELLE GLADE area directly needs funds to maintain its Boy Scout activities. The money collected here will STAY here! This area needs an instructor-trainer field man - we are promised one if we raise our quota of \$4,500 for 1958. REMEMBER, a Boy Scout costs \$15 a year. A single juvenile case costs the taxpayer \$1,500. In making one misbegotten youth costs \$50,000 by going astray. Millions of dollars are spent annually on juvenile delinquency school facilities in Marianna and Ocala. We earnestly solicit a brief period of your day for this noble cause: the future leadership of Belle Glade and the federal government.

DON'T SELL SCOUTING SHORT!

OVER 100 GUESTS ATTENDED the Belle Glade Chapter FFA Parent-Son Banquet Friday night at the Elementary School Auditorium. Seated at the head table were: Mr. A. R. Harrington, Mr. H. O. THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read Acts 2:1-11

And when the day of Pentecost was fully come, they were all with one accord in one place. (Acts 2:1)

In the Scripture we read this word of prophecy: "I will pour out my Spirit upon all flesh." God's promise was fulfilled in the most complete manner on the day of Pentecost.

Indeed, on that day eleven tongues like as of fire appeared to the persons who were assembled in an upper room and rested upon each of them.

The effect of this spiritual baptism was deep and lasting. Those fearful disciples, who had disowned and left Jesus, became eloquent under the influence of the Holy Spirit, and began to speak as the Spirit gave them utterance. What a difference in them before and after Pentecost!

This same power continues to manifest itself in the life and action of Christians living today. Those who love God seek through prayer His presence and power. Then in His spirit they proclaim God's Word of truth to the uttermost part of the earth.

PRAYER: O God, our heavenly Father, send upon us the Holy Spirit. Under His influence, may we, too, as did they in the upper room at Jerusalem, feel the power of Thy sovereignty and submit ourselves in service to Thee. Through Christ our Lord. Amen.

Thought For The Day

Let us seek to have our faith quickened by the Holy Spirit. Enrico Caputo, Civil Servant (Italy)

#### Lake Harbor WSCS Holds Meet Tuesday

The Women's Society of the Christian Service met at the Church Monday night with Mrs. D. Henson presiding. Mrs. O. L. Smith led the Devotional. Mrs. N. Distefano, assisted by Mrs. Mainis, Mrs. Weaver and Mrs. Smith presented the program "The March of Mission Dollars." Mrs. H. D. Merriam was hostess.

Others attending were Mrs. Marvin Lee, Mrs. Frank Robertson, Mrs. J. F. Royal and Mrs. Jim Spire.

#### Mrs. Connell To Compete For Title Woman Of Year

Mrs. Lorenzo Connell was the choice of the Xi Beta Gamma Chapter of Beta Sigma Phi, for the "Woman of the Year" contest, being sponsored by the Business and Professional Women's Club. She was chosen at the regular meeting held at the City pool of anyone not in a bathing suit. This was brought up at the May 14 commission meeting.

A contribution of \$42 was voted towards expenses of one girl scout to the summer camp sessions, by personal contributions and the chapter treasury. The secretary was instructed to write a letter of appreciation to the city commission for the proposed enlargement of the present library. Mrs. Howard Payne gave a report on the state convention, held recently in West Palm Beach.

Mrs. Rosa Nash, in charge of the program spoke on "Expression in Thought," and gave samples of quotations which were thought provoking and asked members for expressions as the quotations were read. A quiz on word thoughts followed.

Refreshments were served by Mrs. Nash and Mrs. Thomas Chappell.

#### Presbyterian Women Hold Annual Party

The annual birthday party of the Women of Church was enjoyed at the Everglades Presbyterian Church last week. The program was in charge of Mrs. Clara Stinson. Hostesses were Mrs. J. E. Fraser, Mrs. L. E. Ludlow and Mrs. Calvin Peacock.

#### L. Harbor Church Has Home Coming

The Home Coming Services at the Baptist Church, Sunday were well attended. Rev. Quinn Sirmon, Pastor, preached at the morning service and Rev. L. W. Woodridge at the afternoon service. Dinner was served on the grounds at 12 o'clock.

Special music was a feature of the afternoon program with Charles Newman of Clewiston, South Bay, Belle Glade, and Bill Ferguson of South Bay taking part. Mrs. Kenneth Warren of South Bay, played the piano.

The church history was read by J. E. Wood, a former deacon, now living in Clewiston. Roll call showed 109 members. There were visitors from Clewiston, South Bay, Belle Glade, South Shore and Delray Beach.

A propensity to hope and joy is real riches; one to fear and sorrow, real poverty.

#### Mrs. Roemer Speaks To Beta Xi Chapter

Mrs. B. A. Roemer was guest speaker at the meeting of Beta Xi Chapter of Beta Sigma Phi Sorority held at the home of Mrs. Mendal Luce with Mrs. Jean Livingston as co-hostess Thursday night.

Mrs. Bob Davis and Mrs. John Munroe were in charge of the program and the latter introduced Mrs. Roemer who gave an interesting talk on poetry, which included the history of Rubaiyat and portions of his poetry, explaining the meaning of each. A quiz followed with Mrs. Charles Burkett having the most correct answers.

Mrs. Neil DePamphile, president, presided at the business session. It was voted to give donations to the Girl Scout drive and Girl Scout camp fund.

Reports were made of the huge success of the state convention in West Palm Beach and all the activities that took place at the Sweet Sue doll would be 21 inches tall for this year's project and that sewing a wardrobe for the doll would be accomplished this summer. Announcement of a pool party with a box supper was made by the social chairman.

ded or increased as a post-war effort to meet these demands. Mr. Roberts discussed some control on appropriations and especially the practice in this state and many others of "continuing appropriations" where certain taxes or income from certain levies are restricted to use. This is the practice of earmarking revenues over a long term period.

Mr. Roberts suggested group study and discussions of public expenditures and sources of revenue with the purpose of linking legislators substantial aid in making decisions. "The attitude of cut and cut hard, but don't bother our item" isn't exactly practical when legislators are considering the overall State's business."

Mr. Roberts familiarity with the State's tax problems and his apparent studious attitude towards long-range problems of the State brought close attention to his talk and revealing questions during the period set aside for this.

The ideal solution for all state expenditures in the future would be for legislators to make the hard decision of those things which are most desirable and then make the decisions which of these are possible within the state income," Roberts said.

"If this is to be accomplished, a system of priorities must be set up over a period of time to build the needed facilities."

"The increase in expenditures and the need for increased revenues by state and local governments has been caused primarily by these factors:

"A 30 million increase in population in this country since

WWII with over 50% of the increase in the school age bracket from five to 17 years.

Graduation exercises for East Lake School will be held June 4. Advancement exercises for Lake Shore Elementary will be held June 6.

At the June 1 baccalaureate services at 4 p. m. at Mt. Zion, Reverend Milton Fayson, pastor, will present the address.

A panel by the graduating class "Roads To Happiness" will be presented by Lake Shore's seniors in lieu of a commencement speaker.

Presentation of the class will be by Principal Charles McCurdy; presentation of diplomas will be by Henry O. Eardwood, chairman of the county board of public instruction.

Arnold Foster, who is being graduated with high honors, will offer the welcome address. Barbara Cant will offer the farewell message.

Miss Cato, Freddie Boatwright and Tammie Pelt are graduating with honors.

Cards Notch 12th Over Homestead Walker's A Wow!

Belle Glade's flying Cardinals notched win 11 and 12 over the past two weeks at which they dropped the Miami Red Sox May 18 here 18-2 on Alphonso Walker's hit.

They overcame a five run lead held by the Homestead Grays and won 11-9 behind Reginald Clark's eight - hitter last Sunday.

Clark, making his initial start went all the way. His team mates got 15 hits, three each by Johnnie Harries and Bill Williams, as they bobbled five costly times.

No game is definitely set for Sunday, however, they'll face Ft. Meade here June 8 and visit Ft. Lauderdale's Clowns for a return match June 15, team manager Ollie Davis said.

Ace Walker, who holds seven of the 12 Card wins, made a remarkable showing at the all-star game in Daytona Beach last weekend in the game for high school hopefuls.

Walker, a senior at Lake Shore, allowed no hits or runs while fanning four batters in two innings. There's word that two major league club have spotted Walker for their farm system; however, nothing definite can be said until after graduation June 5.

Manager Davis reported that Walker also banged the fences to the delight of the observing scouts.

## J. R. Nutt Praises Consideration Given Migrant Labor By Community

"The term of visiting Teacher designates a new position created by Palm Beach School Board to deal with attendance, migrant labor school problems and the over-all program of education," Mr. J. R. Nutt told Rotarians Friday.

"Qualifications for the job include experience in school administration, economics, child psychology, social work, welfare work and a firm ground in the theory of our public school system," the speaker said.

"It is my determined belief that this community deals more effectively with farm migrant labor than any other area in the US, and you are to be commended for the effectiveness of your relief work during the recent spell of no work due to weather conditions."

Mr. Nutt told of his experience with one family to illustrate the nature of his work.

"The case came to my attention when one boy's absence from school followed the securing of glasses for the child from the Lions efforts so that he could continue. Going to the home I found the father away in Palm Beach for work, several of the seven children in bed and the mother momentarily expecting another child. Getting the mother to the hospital with the aid of the County Welfare Department and seeing that the sick children were cared for gave Mr. Nutt one of the busiest and anxious hours of his career.

"There are areas, less than 75 miles from where we are now that do not allow migrant children to go to school because they come late in the season, and some leave early."

"If you want a star in your crown, continue your help to these underprivileged folks and add to it where necessary, for certainly there has been a lot

of excellent and effective work done in this community."

## Leland Woodruff Given 16 Years

Leland Horace Woodruff has been sentenced to 16 years in prison by Criminal Court Judge Hugh MacMillan following his conviction April 4 on charges of manslaughter, culpable negligence and leaving the scene of an accident.

Judge MacMillan withheld the passage of sentence until a pre-sentence investigation was held. He pronounced sentence on the manslaughter conviction only and withheld on the two less serious charges.

Woodruff was found guilty of the charges arising from an auto accident last June in which Miss Rosalyn Farmer, Belle Glade, was fatally injured.

### Texas Man Found Dead At Livestock Market

Death came to Alsa Ezra Wolard, 48, Waco, Texas, May 23 at Glades Livestock Market after he suffered a heart attack in a rest room.

Discovered by Clarence Lee, he was pronounced dead by a Belle Glade physician, according to Coroner Mrs. Aleese Cherry. Wolard had been hauling cattle to the market for the past several weeks, Mrs. Cherry said.

## Migratory vitamins are likely to prove expensive

Every dollar you spend for vitamins—and other medicines—should be an investment. You have a right to expect dividends in improved health.

Keep this in mind when a migratory house-to-house vendor attempts to interest you in his line of vitamins. Chances are that he'll lose in a reference to "income."

Remember that vitamins contribute to your health only if they are properly formulated and offer full potency. It is actually expensive to take "cheap" vitamins if you have to take three times as many to get results. Let us fill your vitamin needs from our completely—and competently—stocked pharmaceutical department.

most members in the department in posts with membership of 500 or less, the honor bestowed on Freeman marks the first time the award has ever been given to a Post 20 member.

Freeman wrote 194 of the current 269 members of the post for 1958 during the period Oct. 1, 1957 through May 21, 1958. Next highest in the state in the division was 176.

Truly a "Mr. Legion," Freeman has signed over 100 members a year for the past ten years having collected 124 last year and 135 in 1956.

Previously he signed 212 of the 318 members in 1946 when he was commander of Post 20 the second time. There was no contest that year.

The trophy remains with Post 20 for one year. A similar award was presented Post 12, West Palm Beach for posts with over 500 membership.

Freeman is also a member of Veterans of Foreign Wars, 40 & 8 and the Disabled Veterans.
